This is the Sheet that Saves You the Dollars-

ORDER NOW

THERE is a genuine advantage to every careful buyer of trees and plants in dealing direct with a responsible mail order nursery.

In the first place you are sure to save money. Just look through the forty pages of our big colored 1927 catalog and compare our prices, and you will see at a glance just what a saving this means to you.

Then, too, you are sure of good fresh stock. Dealing direct with you, we have a personal interest in your success. We want you to have the best—and that is the kind of goods we sell—fresh, state inspected stock, the best that money will buy. It pays you to buy such healthy, well rooted, vigorous trees and plants.

Last, but not least, prompt careful shipments. As trees and plants are living things, you will recognize the value of direct dealing. All our plants are carefully packed by experts and shipped direct to you at one small profit.

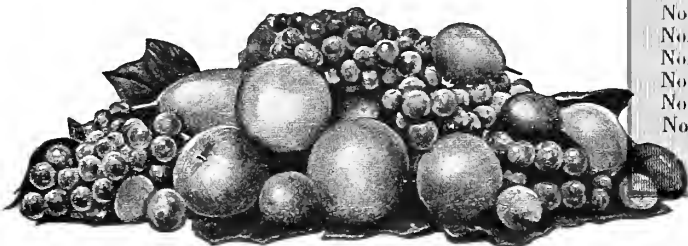

The accompanying special bargains are for your early selection and good only while our supply lasts. Better order at once and avoid disappointment.

Yours anxious to serve you,

A Handsome Gift Prize

with Every Order

WE deeply appreciate every one of the thousands upon thousands of nursery stock orders we receive yearly. We want every one of our customers to know how much we value their business. Consequently, we have decided to give a handsome prize with every order. These prizes are to be our selection; but every one will be valuable, high grade, well rooted, vigorous sturdy stock—something you will value and appreciate—possibly a rose; or a rambler; or a shrub, but always something of value. When you look at it growing in your garden or flower bed you will think of us and appreciate our desire for your business.
